

CASE STUDY

8point8 Training

Rubitek empowers 8point8 Training to scale apprenticeship provision with quality and cost savings.

OVERVIEW

Rubitek's partnership with 8point8 Training, a specialist provider of commercial training and apprenticeship standards, enabled them to achieve substantial growth while maintaining a commitment to quality training experiences.

By adopting Rubitek's scalable and cost-effective per learner per month pricing model, 8point8 Training realised significant cost savings and expanded their apprenticeship provision.

This case study highlights how Rubitek's user-friendly platform streamlined operations, fostered stakeholder engagement, and provided valuable insights to prevent learner disengagement.

The collaboration between Rubitek and 8Point8 Training exemplifies a shared dedication to innovation and continuous improvement in the realm of apprenticeship provision.

"We've been dumbfounded by the platform's simplicity and we really feel like part of the Rubitek family - their ethos echoes our own - quality over quantity, and when we talk about what we want from the platform going forward, Rubitek listens."

"Our new learning management platform has delivered a large number of benefits for our stakeholders. Now, we can tailor our apprenticeship delivery to meet the needs of employers who are more engaged as a result. Our assessors enjoy how responsive the platform is, and our learners love using it."
